*PSW Wives Conference 2014*  
*"Now It Springs Forth"*

Becky had the privilege of leading the planning team again for this biannual conference. It was an incredibly encouraging time to spend a few days together. There are unique factors among Cru staff wives that affect our relationships with the Lord and our lives. There is incredible value in just being with others who work in ministry with their husbands, raise support, navigate varied schedules, travel, and share a heart for reaching the students of the world. Beside having great time to connect, we spent time hearing from fellow staff Vivian Mabuni. She spoke from Isaiah 43, and shared from her own life, including her cancer journey. It was a rich time. There was overwhelming encouragement that the conference was a valuable time. The Lord very clearly led us in the process of planning this conference and so it was a joy to see all the details come together to bless the staff wives in the PSW!

**"Behold, I am doing a new thing; now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert."**  
**Isaiah 43:19**

**Santa Monica Summer Project 2014 Update**

We've accepted 29 men and 38 women to date! They're coming from all over the PSW and as far away as George Mason University and De Paul University. Becky even accepted our first "international" student. She comes from the University of Puerto Rico-Mayaguez Campus!

**Please continue to pray for our team:**

- To communicate and work well together as a lead team
- More men to apply
- Schedule and venue details to come together well

*Thank you for your prayers, gifts and partnership! You make it possible for us to pour out our lives to invest in our staff & students in California, Arizona & Hawaii as we trust the Lord to reach millions of college students!*
