Santa Monica Summer Project 2014

April 23, 2014

To our incredible partners in ministry,

If you could teach one young person what it looks like to walk with Jesus, would you? What if you could do that for 3 young people, and multiply your influence? What if you could show **80 young adults what it looks like to walk with Jesus...in just one summer!? What if you could teach those young adults how to share their faith in Jesus, and give them tons of opportunities! Give them the experience of living vitally in the Body of Christ? What if you could share with them God's heart for the nations, and for them individually? For Godly family and adult relationships? And what if you could equip them with tools to live for Jesus and be vital Kingdom laborers for a lifetime? Would you do that?**

In a heartbeat! This is what we get the privilege of doing on Cru's Santa Monica Summer Project! 80 college students from 23 campuses, from California to Minnesota to Puerto Rico, will convene in Santa Monica in just 7 weeks. They will trust God together to accomplish in their lives, all we mentioned above. And we couldn't be more amped to lead this group! Our hearts beat for this generation's young adults to grasp the love of God and the life to which He has called them!

Would *you* join us to do that this summer? Would you join with us in praying for this project, and giving financially to enable us to be there. To do this, we will need \$5,340, above our regular income, to relocate, live, and minister in Santa Monica this summer. Would you prayerfully consider giving a gift of \$100, \$200, or \$500, to help transform the lives of 80 young adults for Christ this summer?

Whatever you decide, we are incredibly grateful for your partnership! You can give a gift by sending a check made out to "Cru" in the enclosed envelope. Or you can simply give online by going through our website, www.theslamers.com.
