A caring community passionate about
connecting people to Jesus Christ

2014-2015

New Cru Missionaries

As I (Scott) write this, I sit among 75 young adults receiving training to invest their next year in full-time vocational ministry with Cru. Soon to be college graduates, they have

decided to invest their first year out of college, bringing the gospel to college students around the Pacific Southwest and in 8 other countries around the world. These men and women are the answers to your prayers for laborers that we asked for in January & February! **Praise the Lord with us! Please pray for them as they go back to finish their college degrees, and trust God to provide all of their financial support for the next year.**

Big Break LA

For the first time ever, our Pacific Southwest region of Cru launched a Spring Break outreach opportunity called "Big Break LA". We hosted about 75 students from Arizona, California, Idaho, Oregon and Washington for evangelism training as well as outreach at CSU Long Beach. Collectively, we had over 500 spiritual conversations and 35 students indicated decisions for Christ! **Praise the Lord! Please pray for the Cru team at Long Beach as they follow-up these new believers.**

Santa Monica Update

The project is almost full with 83 students currently accepted! There is a buzz about the summer on our Facebook group, and God is already providing summer jobs and financial support for these students!

One parent commented on their son's experience thus far: "BTW, I have never seen our Jeff more enthused about a project than this one. The Lord is using you all in a powerful way in the lives of these young people. May God bless you all in the months ahead and I will remember you in my prayers."

Please pray for Santa Monica:

- For the final details to come together for the summer.
- Each of the students to raise the financial support needed for their summer ministry.
- For our staff team to have wisdom as they prepare teaching and training times.

*Thank you for your investment in
seeing students hear the gospel &
seeing laborers sent to impact more
students for Jesus!*
