

Please Pray for Scott & Becky Slamer

November 2014

- Pray that these new students at Long Beach State would find a place in Cru to be encouraged to live out their faith on campus, or to come to faith if they don't yet know Jesus.
- Pray for more students like Jessica, to see a sign or respond to a card and check out Cru.
- Pray for God's grace upon the movement there to gain official club recognition again this year.
- Pray for us as we coordinate the placement of all 220 staff & interns for their summer 2015 assignments. For wisdom & grace in the process.
- Praise God for Summer Mission trip directors for San Diego and Ocean City, NJ! Pray for two more for Santa Monica.
- Pray this weekend (11/21–11/23) for the 420 Junior & Senior students coming to our Crossroads Conference. They will learn about investing their lives for God's Kingdom in whatever career He calls them to.

***Ethan just finished his 4th soccer season. He loves soccer & having Scott as his coach. Sarah is keeping Becky busy with lots of opportunities to dance, sing, bake & sew.
